BLAISE KOLODYCHUK PRESENTS:

THE NANDI BEAR TENANTS

Meanwhile at the Nandi Bear Mercantile...

My room mate has been arrested!

Cool, what did they do?

Not Cool! She was on vacation in New Brunswick and she was carrying her pet snake down the street.

And?

And I guess it's against the law to carry your snake around in public.

Earth is ridiculous.

Yeah, but now she's looking at 2 years in jail!

Another customer comes in. Business is starting to pick up!

Hello!

CHILL OUT

Hi there, how can we help you?

I heard you had the best ice cream in town.

How did you hear that? You are only the second customer we have ever had!?

I don't know. Floyd told me. He said, "Hey Henry, The Nandi Bear Mercantile has the best ice cream in town!"

CHILL

The weirdest thing about this is that we haven't even got our shipment of Ice Cream in yet! It was supposed to come yesterday.

It'll probably show up soon.

Do you mind if I wait for it?

Knock yourself out, Henry. We have lots of seats

Why would he want to knock himself out?

CASH
DEBIT
CREDIT

HOT SAUCE

Aren't you guys going to help my friend in New Brunswick?

Why would we?

Well you are superheroes aren't you? Not just shop owners.

Who told you?

Floyd.

Who is this Floyd guy?

HOT SAUCE

Dorriss and Captain Trash have landed at the top of Pike's Peak. Now face to face with Ramsaurus who seems to be protecting a giant nest made from the twine and hairballs!

Wow. He is huge!

Let's give it a go.

Well, I say we try to reason with him first. I have only ever communicated with Cats and small creatures like that, but I could do my best.

Okay, I'll be here if you need me.

Uh, hello there. I'm Captain Trash and this is my friend Dorriss. I was hoping you could spare a minute to chat with me.

Okay, well... First off you have stolen some of the world's greatest treasures, so we will need those back. Umm.. Second, while you were stealing that stuff you squished about 47 people.

RAWWR

And well.. Yeah, you may want to surrender yourself to the nearest police department.

How's it working out?

I'm not sure he understands.

You think?

FTHOOM!

Saved by his trusty trash can lid!

I don't think he likes us very much.

Dorriss tries shooting him with an energy blast. It does absolutely nothing.

VOOMP!

Nothing but annoy Ramsaurus that is...

FOOSH!

Use your superpower to help me Captain Trash!

Luckily Dorriss is nearly indestructable.

I am! I am psychically talking to some flying squirrels as you speak!

Okay. Maybe if I get up higher my blasts will have more effect.

Oh my!

Dorriss sees that the nest is not empty after all, but actually holds a hostage!

Here they come!

The sky fills with flying squirrels holding stones.

The flying squirrels begin dropping stones on the mighty beast.

BONK

No! Captain Trash, stop them! There is a person in the nest! Retreat! Retreat!

Oh no! Sorry!

Okay, this is getting too crazy, I think we need help!

They run back to safety beside the ship.

Pattee, can you read me? I need your help to control a giant prehistoric menace!

2 WAY RADIO

BEEP

BACK ON FORCLUNE'S SPACE STATION...

Yes I'm here! I think I can do it, but I would need to be able to actually see the monster.

Captain Trash, get the ship's camera! We will send the feed directly to Pattee.

I'm on it.

This should work.

Pattee, there is someone being held captive up there, we need to be very careful.

I understand.

Okay I'm sending you the image.

Thank you, let me go into a trace.

As Pattee concentrates her mind is connected with Ramsaurus.

The great beast is stopped in it's tracks, completely frozen!

Pattee! You did it! Thank you so much! I'm gonna go get that hostage.

Dorriss, I'm inside Ramsaurus' mind...

First off he is a she, secondly the asteroid where she lived was destroyed along with her child.

That's horrible. Poor thing.

Dorriss quickly frees the new friend.

Wow, thank you so much!

Hi, I'm Dorriss Doom.

I know who you are! I'm Raca. I was so worried, I thought I was a goner!

No problem, come with me. Do you know why you were kidnapped by this giant fire breathing space dinosaur?

Not really.

I know why Dorriss. The Ramsaurus thought she was her lost baby!

Why would she think that?!

The Ramsaurus spews a sticky goo like liquid from it's mouth when it is a baby. It eventually learns how to breathe fire instead as it gets older.

Well that explains it.

Really, how?

I spew sticky goo out of my mouth too. Sometimes.

Cool, I'm Captain Trash, Nice to meet you.

Pattee, let that space dinosaur know that it's baby isn't here, that we are very sorry, and give her directions to the planet of dinosaurs.

You guys, let's go back to the Nandi Bear Mansion, unless of course you want us to drop you off somewhere, Raca?

I got nowhere I need to be like ever again. I'd be happy to join you.

Excellent, Let's go.

On board the space shuttle...

So Raca, what's your story? What's the real reason the Ramsaurus wanted to kidnap you?

I wasn't joking, Goo shoots out of my mouth, and she mistook me for her missing baby dinosaur.

Weird.. Has goo always shot out of your mouth?

Well yeah, ever since I was a baby I think. My parents abandoned me at the circus and I have been living as a freak show attraction ever since I was little. There's some great people at the circus, but I don't really want to do it for the rest of my life.

Have you ever used your abilities to fight crime?

Well no, maybe sort of, but not in any professional way. I learned a lot of tricks in the circus that would be useful.

Sounds great, we are coming up on Nandi Bear Mansion, buckle up guys.
